ACCOUNTANTS' COMPILATION REPORT

The Village Board
Village of Weyerhaeuser
Weyerhaeuser, Wisconsin

We have compiled the accompanying financial statements relating to the tax incremental districts of the Village of Weyerhaeuser, Wisconsin for the year ended December 31, 2013. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The aforementioned financial statements are presented in accordance with the requirements of the Wisconsin Department of Revenue and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

This report is intended solely for the information and use of the Village of Weyerhaeuser and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO TID ANNUAL REPORT
DECEMBER 31, 2013**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Village of Weyerhaeuser has created Tax Incremental Financing District No. 1 (the "District") in accordance with Section 66.1105 of the Wisconsin Statutes. The purpose of that section is to allow a municipality to recover development and improvement costs in a designated area from the property taxes generated on the increased value of the property after creation of the district. The tax on the increased value is called a tax increment.

Project costs may not be incurred longer than 5 years prior to the termination date of the district. The statutes allow the municipality to collect tax increments until the net project costs has been fully recovered, or maximum life based on the resolution date and type of TID, whichever occurs first. Project costs uncollected at the dissolution date are absorbed by the municipality.

	<u>Creation Date</u>	<u>Last Date to Incur Project Costs</u>	<u>Final Dissolution Date</u>
District # 1	September 25, 2013	September 25, 2028	September 25, 2033

The project plans, on file in the office of the village clerk detail the proposed projects, the estimated years of construction or site acquisition, and the estimated costs of the individual project components. Project costs uncollected at the dissolution date are absorbed by the municipality.

NOTE 2 PROJECT FINANCING

Project costs have been financed by advances from the general fund. The advances are expected to be repaid from the tax increments generated from the increased property valuation in the tax incremental districts.
