### DELIVERY SPECIFICATIONS:

Material delivered by or on behalf of Customer may not contain Non-Recyclables or Excluded Materials. “Excluded Materials” means radioactive, volatile, corrosive, flammable, explosive, biomedical, infectious, bio-hazardous or toxic substance or material, or regulated medical or hazardous waste as defined by, characterized or listed under applicable federal, state, or local laws or regulations, materials containing information (in hard copy or electronic format, or otherwise) which information is protected or regulated under any local, state or federal privacy or data security laws, including, but not limited to the Health Insurance Portability and Accountability Act of 1996, as amended, or other regulations or ordinances.

Company reserves the right to refuse to provide recycling services when Recyclables are not properly segregated from waste or Non-Recyclables. More specifically, Company may “tag and leave” carts or containers when Company determines in its sole discretion that Non-Recyclables have been placed in the recycling cart or container. The tag will identify the reason for non-collection. Company may also collect recyclables that have not been properly segregated from waste or other Non-Recyclables and dispose of the contaminated recyclables at Customer’s sole cost.

Company may reject in whole or in part, or may process, in its sole discretion, Recyclables not meeting the specifications, including wet materials, and Customer shall pay Company for all costs, losses and expenses incurred with respect to such non-conforming Recyclables including costs for handling, processing, transporting and/or disposing of such non-conforming Recyclable Materials which charges may include an amount for Company's operating or profit margin. Without limiting the foregoing, and Customer shall pay a contamination charge for additional handling, processing, transporting and/or disposing of Non-Recyclables, Excluded Materials, and/or all or part of non-conforming loads and additional charges may be assessed for bulky items such as appliances, concrete, furniture, mattresses, tires, electronics, pallets, yard waste, propane tanks, etc.

Company reserves the right upon notice to discontinue acceptance of any category of materials set forth above as a result of market conditions related to such materials and makes no representations as to the recyclability of the materials.
